PACE program (= Practicing Awareness through self-Compassion and Education, our internet-based support program) access to our events/activities and our blogs/newsletters

RETREAT (optional) Please note that the Foundation of Healthy Living Retreat is no longer part of our package in Wellington. However, we highly recommend participation in the retreat which is offered by the Tailor Clinic in Hamilton. Our experience shows better long-term outcome if you do. Please refer to the website for booking and more information.
